## Announcement

We extend a cordial welcome to all Shorthorn breeders and any other person interested in the improvement of livestock to attend our sale at Western Fair Grounds, London, on Monday, October 19th, 1953.

We feel we have an excellent offering for our sale. These six herds have been producing some high class cattle in recent years and for this sale the very tops are being offered from each herd.

While the cattle in this sale are not fitted, they are all in splendid breeding condition.

Heifers sold through this sale have gone on to be champions and have produced champions at our larger Exhibitions and top selling cattle in the best sales in Ontario, while prices at this sale have been moderate this has given consignees a great satisfaction to find these cattle proving so satisfactory to their new owners.

All cattle sold to U.S. buyers will be fed and cared for at seller's expense at buyer's risk, until such time as necessary papers are ready.
